## RFP & GRANT WRITING SUPPORT

Today's leading corporations employ a wide array of techniques and approaches to market their products and services to potential customers, but when a prospect sends you a Request for Proposal (RFP) with strict format requirements, you likely will not be allowed to submit any polished marketing collateral and will need to craft an RFP winning response in a quick turnaround. Funding agencies are consistently updating rules and regulations, in turn creating a process that is time-consuming, fraught with technicalities,

and leaves leadership trying to play catch up!
